Dear Sir/Madam

Ab Kettleby Neighbourhood Plan – Reg 16 Consultation

Thank you for your e-mail of 25th January 2019.

I have already commented to Ab Kettleby Parish Council on the pre – submission draft plan.

I repeat below those comments which are applicable to your consultation:

I have reviewed the Plan in line with the remit of my Agency and the environmental constraints that are applicable to the Plan area. Apart from the land area to the north of all 3 settlements which is classed as secondary aquifer there are no other environmental constraints applicable. The Plan does not allocate sites within the Secondary Aquifer area and as such I have no further comments or objections to the Plan as written.

Yours faithfully
