

Dear Sirs /Madam

The above NP is currently out for consultation until the 23 December 2020.

We would like to make representation for the inclusion of the land under our control. This is as our last e mail below to you and shown on the attached document /plan setting out the supporting Planning details .

Could you please confirm that this request has been received and actioned for consideration. Would you please ensure we are on your contact data base for further involvement and inclusion.

We appreciate that communication is being done remotely in these strange times and look forward to your response.

Regards,
