Please select all that apply

- it's not positively prepared
- it is not justified

- it's not consistent with National Policy

Please provide comments for why you believe it is unsound or fails to comply with the duty to co-operate. OR If you wish to support the legal compliance or soundness of this policy, or its compliance with the duty to co-operate: (Required)

This development is not justified, as set out in the Neighbourhood Plan (NP) for Frisby , because it would lead to the village having many more dwellings than the Council 's original plans which are not sustainable. The reasons for unsustainability have been set out in detail in the NP . At a recent council meeting on 27th July (in Melton) it was clearly shown that the council is taking little notice of its legal obligations with regard to the NP and ,as residents, we trust that this will change very soon.

Please describe what changes you consider necessary to make the Melton Local Plan legally compliant or sound

Notice must be taken of the Frisby NP & the Local Plan adjusted accordingly.
