The proposed Local Plan nominates sites FRIS2 and FRIS3, as well as the Great Lane site, which has already been approved in outline and is taken into account within the Frisby Neighbourhood Plan, presently with MBC. The other two, however, are not included and transgress the Neighbourhood Plan's overridingly more acceptable Limits to Development, which seeks to preserve the village natural boundaries and recognises the overwhelming views of residents. On a further point from our own perspective. When we moved to the village three years ago we were taken aback to discover that our house insurer of over twentyfive years refused us cover at our present property on grounds of flooding risk. We received the same response from five other national companies for the same said reason. We, eventually obtained cover from a lesser known company, but at a higher premium, but with inferior benefits. We note that the dwellings on the site will each be raised some distance from ground level to accomodate groundwater flooding; we and our immediate neighbours do not enjoy this advantage but could be effected by goundwater run-off and future insurance penalties.

Please describe what changes you consider necessary to make the Melton Local Plan legally compliant or sound

By the removal of sites FRIS2 and FRIS3 from the Plan and adherence to the Frisby Neighbourhood Plan proposed Limits to Development.
