I am seeking more recognition for neighbourhood plans (NPs) in the local plan and for the policies and proposals contained in those NPs to be better reflected in policies and reasoned justification across the local plan, A major amount of work has been invested in Neighbourhood Plans and the results are supported by the Local residents, so this should be reflected in the Local Plan with regards to all elements of their plan to include site selection and house numbers.

Please describe what changes you consider necessary to make the Melton Local Plan legally compliant or sound

MBC should review their plan to reflect the wishes of all NP of each Parish and support local wishes
