- it's not consistent with National Policy

Please provide comments for why you believe it is unsound or fails to comply with the duty to co-operate. OR If you wish to support the legal compliance or soundness of this policy, or its compliance with the duty to co-operate: (Required)

My understanding is that the Frisby on the Wreake Neighbour Hood Plan would have significant influence over her and what can be built within, or around the village envelope. The original housing allocation was for 48 house, which we believed was excessive, but possible to accommodate without detrimental impact on the village infrastructure and village way of life. The total was then increased to 78, which has been accommodated in the recent application granted for the Great Lane development. That would suggest that we have more than fulfilled our quota to contribute to the wider MBC Local Plan. It cannot possibly right, fair or even legal to consider even more applications outside of that which is already granted. Please help prevent the destruction of a unique village community by over development.

Please describe what changes you consider necessary to make the Melton Local Plan legally compliant or sound

With the huge community effort involved in compiling, submitting, amending and resubmitting our Neighbourhood Plan, and with the majority support it has received from the residents of the village we urge you to support the Frisby on the Wreake Neighbourhood Plan as submitted. We also urge you, as a consequence, to

reject any further development of land around the village (namely Water Lane and Land to the South) as unnecessary and unwanted overdevelopment of a rural community.
