30 August 2017

Dear Mr Beverley

Broughton & Dalby Neighbourhood Plan – Submission

Thank you for the notification of the 20 July 2017 consulting The Coal Authority on the above NDP.

The Coal Authority is a non-departmental public body which works to protect the public and the environment in coal mining areas. Our statutory role in the planning system is to provide advice about new development in the coalfield areas and also protect coal resources from unnecessary sterilisation by encouraging their extraction, where practical, prior to the permanent surface development commencing.

As you will be aware the Neighbourhood Plan area lies within the current defined deep coalfield. However the Neighbourhood Plan area does not contain any surface coal resources or recorded risks from past coal mining activity. Therefore The Coal Authority has **no specific comments** to make on the Neighbourhood Plan.

In accordance with the Neighbourhood Planning (General) Regulations 2012 (as amended) please continue to consult The Coal Authority on planning matters using the specific email address of planningconsultation@coal.gov.uk.

Yours sincerely

Melanie Lindsley
