

Neighbourhood Planning Response – Broughton & Old Dalby Parish Council

Thank you for your email dated 27th February. The PC discussed the points raised at their meeting on 5th March and have asked that I feedback the following;

1/ The PC would be happy for approach 3 to be adopted.

2/ The PC accepts the inclusion of Station Lane as an allocation, in alignment with its inclusion in the Neighbourhood Plan.

3/ The PC asks that approach 3 be adopted with regards to OLD2 (suggested to be renumbered to OLD3) i.e. as this is not in the NP (post examination and approaching referendum) the LP defer to this and it not be included in the LP.

Thank you for the opportunity to comment at this stage of the LP process.

Kind regards

Lucy Flavin
Clerk to the Parish Council of Broughton and Old Dalby
