If you selected other, please state:

What is your ethnic origin?

Please describe your ethnicity and race:

██████████

What is your religion?

██████████

Please state your religion:

Vision and objectives

Relevant context to respond to the questions below

Question 1: Looking at the options above, which option do you support?

Question 1 - Option 1: No change:

Question 1 - Option 2: Refocused and simplified version [preferred option]:

Strongly agree

Question 2: Please use the comment box below to explain your response or provide any additional information you would like us to consider in our review of this section

Please, provide further context:

I would like to see more effort with climate change.

I would like to see the planning department use their powers to make the multi million pound house building companies build the rest of the relief road for Melton, and build doctors surgeries we require in Melton.

Question 3: What do you think are the most important objectives to be covered by our Vision? Please select your top 3

Question 3 - Improving facilities for all of the community and providing the new infrastructure needed to support our growing population:

Question 3 - Addressing the causes and effects of climate change:

1

Question 3 - Ensure local housing meets the local communities current and future needs:

Question 3 - Supporting a diverse, competitive and innovative rural economy:

Question 3 - Enhancing Melton Mowbray's town centre:

Question 3 - Promoting high quality and well-designed development to help create healthy, sustainable and safe communities:

3

Question 3 - Enhancing nature and minimising harm to the natural environment:

2

Question 3 - Other (please specify below):

Please, provide further context:

I would like to see developers and small builders be made accountable for ensuring that landscaping and natural environment areas are put in place when they have completed their developments, this does not happen now.

Policy SS1. Presumption in favour of Sustainable Development

Policy SS1: Relevant context to respond to the questions below

Question 4: Looking at the options above, which option do you support?

Question 4 - Option 1: Delete the policy:

Question 4 - Option 2: Amend the policy [preferred option]:

Strongly agree

Question 5: Please use the comment box below to explain your response or provide any additional information you would like us to consider in our review of this policy

Please, provide further context:

I think we should be adding a clause that states any development should include road and community infrastructure, environment improvements, to be supplied by the development companies.

Policy SS3. Sustainable Communities (unallocated sites)

Policy SS3: Relevant context to respond to the questions below

Question 6: Looking at the options above, which option do you support?

Question 6 - Option 1: Delete the policy:

Question 6 - Option 2: Review the policy to better define meeting local need:

Question 6 - Option 3: Review the policy to enhance wider sustainability [preferred option]:
Strongly agree

Question 7: Please use the comment box below to explain your response or provide any additional information you would like us to consider in our review of this policy

Please, provide further context:

environmental, diversity and flooding issues are a must for any plan, but ensuring they are done by the developers must be inspected as a number of developers do not complete these to the plans which have been passed.

Question 8: Under what circumstances do you think new homes in the borough's smallest and least sustainable settlements are justified?

Please, provide further context:

if there is no housing for local first time buyers, many of the small settlements end up with large 4/5 bed houses but nothing for local people

Question 9: Do you think criteria should be introduced to require homes built in the borough's smallest and least sustainable settlements to be built to the highest sustainability standards? If yes, what types of criteria do you think the policy should consider?

Please, provide further context:

I think that at least half of the properties should be for 1st time buyers and social houses.

Policy SS4. South Melton Mowbray Sustainable Neighbourhoods

Policy SS4: Relevant context to respond to the questions below

Question 10: Looking at the options above, which option do you support?

Question 10 - Option 1: Delete the policy:

Question 10 - Option 2: Amend to reflect the 2021 Masterplan [preferred option]:
Strongly agree

Question 11: Please use the comment box below to explain your response or provide any additional information you would like us to consider in our review of this policy

Please, provide further context:

developers need to contribute more money to our road network and infrastructure, they are making millions.

Policy SS5. Melton Mowbray North Sustainable Neighbourhood

Policy SS5: Relevant context to respond to the questions below

Question 12: Looking at the options above, which option do you support?

Question 12 - Option 1: Delete the policy:

Question 12 - Option 2: Amend to reflect the 2021 Masterplan [preferred option]:
Strongly agree

Question 13: Please use the comment box below to explain your response or provide any additional information you would like us to consider in our review of this policy

Please, provide further context:

developers need to contribute more money to roads and infrastructure and for the environment sustainability, they are making millions.

Policy SS6. Alternative Development Strategies and Local Plan Review

Policy SS6: Relevant context to respond to the questions below

Question 14: Looking at the options above, which option do you support?

Question 14 - Option 1: Delete the policy:

Question 14 - Option 2: Reduce to locally specific criteria only [preferred option]:
Strongly agree

Question 14 - Option 3: Additional criteria:

Question 15: Please use the comment box below to explain your response or provide any additional information you would like us to consider in our review of this policy

Please, provide further context:

all the delivery roads must be completed, all environment and climate change issues must be completed.

Definitions

Policy C2. Housing Mix

Policy C2: Relevant context to respond to the questions below

Question 16: Looking at the options above, which option do you support?

Question 16 - Option 1: Delete the policy:

Question 16 - Option 2: Amend the policy [preferred option]:
Strongly agree

Question 17: Please use the comment box below to explain your response or provide any additional information you would like us to consider in our review of this policy
Please, provide further context

Please, provide further context:

we must provide more affordable and social housing to keep our youngsters in the town, the affordable houses are not affordable for our youngsters.

Policy C3. National Space Standard and Smaller Dwellings

Policy C3: Relevant context to respond to the questions below

Question 18: Looking at the options above, which option do you support?

Question 18 - Option 1: Delete the policy:

Question 18 - Option 2: Amend the policy [preferred option]:
Strongly agree

Question 19: Please use the comment box below to explain your response or provide any additional information you would like us to consider in our review of this policy

Please, provide further context:

we need more affordable housing, too many developers build houses the locals cannot afford

Definitions

Question 73: Please use the comment box below to explain your response or provide any additional information you would like us to consider in our review of this policy

Please, provide further context:

all dwellings must have fibre broadband, we are a development of 7 properties built 5 years ago and we have wire its so slow

Definitions

Policy D1. Raising the Standard of Design

Policy D1: Relevant context to respond to the questions below

Question 74: Looking at the options above, which option do you support?

Question 74 - Option 1: Delete the policy:

Question 74 - Option 2: Review and strengthen policy so it sets out strategic principles for high quality new development [preferred option]:
Somewhat agree

Question 75: Please use the comment box below to explain your response or provide any additional information you would like us to consider in our review of this policy

Please, provide further context:

ensuring that all trees and hedgerows are utilised, and ensuring environment and biodiversity is maintained

Question 76: Do you think the current design policy criteria covers all design issues adequately, that the current policy works well? Would you like to suggest any criteria to be added or removed from the policy?

Please, provide further context:

the policy does not work well, landscaping and environment are not checked by planning and enforced by planning.

Question 77: How important do you think each of the following design considerations are for a new development?

Question 77 - Attractiveness: creating a pleasant environment to live and work:
Very important

Question 77 - Sensitive to context: responds well to its surroundings:
Very important

Question 77 - Distinctiveness: builds upon the unique characteristics of its surroundings and creates a sense of place in itself (design features such as scale, massing, materials, landscaping and architectural detailing).:
Very important

Question 77 - Neighbour amenity: does not adversely affect neighbours and nearby uses:
Very important

Question 77 - Legible places: places that are easily understood by their users, particularly when moving around.:
Very important

Question 77 - Connectedness: created new and weaves into existing networks:
Very important

Question 77 - Comprehensive: ensuring development is designed and delivered in a coordinated way, and avoiding piecemeal schemes:
Very important

Question 77 - Safe and attractive streets and spaces: create spaces and environment that feels safe and secure to be in.:
Very important

Question 77 - Environmental sustainability and adapting to climate change:
Very important

Question 77 - Mix of uses: the right range of uses and densities:
Very important

Question 77 - Protecting and enhancing heritage assets:
Very important

Question 77 - Car parking:
Very important

Question 77 - Community consultation: opportunities for community to get involved and help shape development proposals:
Very important

Question 77 - Other: please state below any other key design considerations not highlighted above:
Very important

Please, provide further context:

all are important, but following up on issues with neighbours to developments is more key, especially if issues are actively progressed and fed back on.

Question 78: Do you think there is a need for specific policy guidance about the use of design coding within the local plan?

Yes

Question 79: If you responded 'yes' to question 78, please provide reasons?

Please, provide further context:

if developers are supposed to adhere to the plan they should be made accountable if they dont.

Equalities Impact

Question 80: Do you have any views on the potential impact of the proposals raised in this consultation on people with protected characteristics as defined in section 149 of the Equality Act 2010?

Unsure

Question 81: If you responded 'yes'/'unsure' to question 80, please provide your reasons and whether there is anything that you think could be done to mitigate any impacts identified
