

FOCUSED CHANGES RESPONSES TO REPRESENTATIONS RECEIVED: FC4 - Asfordby Hill

Representor Name	Focused Change/Policy Ref	Summary of Representation	MBC Response
Sophie Trough (Pegasus)	FC4	Holwell Works should be allocated as a mixed use scheme as per Policy A27 of the Asfordby Neighbourhood Plan, including the delivery of 100 dwellings.	Alignment of the Local Plan and Asfordby Neighbourhood Plan will occur through Local Plan Examination, subject to the Asfordby NDP successfully going through Referendum.
Historic England Melton Local Plan	ASFH1	Allocations ASFH1 and ASFH2 have the potential to harm the significance of the two Scheduled Monument at Kirby Bellars (the Priory and the Garden, moat and five fishponds) in views across the River Wreake. A further policy is proposed after ASFH1 and ASFH2 to address these concerns.	This response does not relate to a Focused Change and therefore is not duly made. Please refer to the Melton Local Plan Presubmission Consultation for a response.
