There has been flooding in Sewstern on at least on average twice per year. Sometimes there is none. Sometimes there are up to four per year. This year alone there has been three floods. One in March. Had to have sand bags at my door. Once in July (flash flood heavy rain) and one in November (heavy rain) Sewage is a problem in this village. Pipes have collapsed and waste backs up pipes. Neighbour has to rod his pipes at least once per year.
