The Rectory Farm development will cause traffic problems if it connects onto Rectory/Normanton Lane.

The Normanton Lane development, BOT5 should not go ahead as this will cause traffic problems around the Church and into the village. I would not want to see it spoiled.

7. Please set out what change(s) you consider necessary to make the Melton Local Plan: Pre-Submission Draft legally compliant or sound. It will be helpful if you are able to put forward your views in text. Please be as precise as possible. (Please continue onto a separate sheet if you require more space)

The Rectory Farm development should connect into Orston Lane only with a new safe junction.

More development along Grantham Rd makes more sense as traffic can get onto the A52 easily.

The BOT3 development is the most sustainable site in the village.
