

Response on Neighbourhood Plan Matters and Further Modifications to Melton Local Plan

Barratt Homes North Midlands

On behalf of Barratt Homes North Midlands we support the Approach proposed by the Borough Council in respect of alignment of advanced Neighbourhood Plans with the Local Plan prior to adoption (Approach 3) and the subsequent suggested modifications to the relevant text of the Local Plan. The suggested approach including the identification of strategic policies in the local plan appears to be in conformity with Paragraph 32 of the Consultation Draft of the revised NPPF.
