

# Clawson, Hose & Harby Neighbourhood Plan

Inventory for sites identified as:

<i>Local Green Spaces</i>
<i>Sites of Natural and Historical Environment Significance</i>
<i>Important Open Areas</i>
<i>Sites with existing statutory protection</i>

Village	Field #	DESCRIPTION / EVIDENCE	Access /4	Proxim. /4	Bounded /4	Special /4	Rec/Edu /4	Beauty /2	Tranq /2	History /4	Wildlife /4	Total /32
Harby	828	Allotment gardens	3	4	4	4	3	1	1	0	1	21
Harby	3424	Allotment gardens	3	4	4	4	3	0	1	0	1	20
Harby	6035	<b>Towns' paddock</b> Permanent (historical continuity) grazed and rough grassland, probably a surviving parcel of land attached to a cottage within the medieval village boundary. Former village cricket field. Mature hedgerows and trees	2	3	4	3	1	2	2	2	2	21
Harby	6181	Permanent grass field on corner of Stathern Lane and Waltham Lane. Visible earthworks (MLE5914) probably represent house platforms from the medieval village at its largest extent.	3	3	4	3	1	1	1	3	1	20
Harby	7053	<b>The Wong</b> Arable field with remnants of old hedge showing previous division. Access from PRowS. Valued views in and out of the village. Rough grass and scrub on north boundary, adjacent to canal. HER sites (Roman finds indicating habitation, etc.) although no extant evidence. The name 'wong' is a medieval survivor referring to a parcel of permanently enclosed land within the open fields.	3	3	4	3	2	2	2	3	2	24
Harby	9677	Level field South of junction between Stathern Lane and Dickman's Lane. Good hedge boundaries with wet ditches of some biodiversity value	3	3	4	4	2	2	2	0	1	21
Clawson	E01	Arable, all hedges except res. bdy, pond with trees scrub, pond loc since 1884 map, prow1 linking route, 2 x pre-enc hedges, GCN in area	2	3	4	2	2	2	2	2	2	21
Clawson	E02	Pasture ridge and furrow, all hedges except resi 1 x pre-encl hedge	2	3	4	2	2	1	2	3	2	21
Clawson	E04	Pasture ridge and furrow, all hedges except resi 1 x pre-encl hedge (same as E2, E7)	2	3	4	2	2	1	2	3	2	21
Clawson	E05	Pasture, pond loc since 1884, hedges except fence S boundary. Slight ridge and furrow	0	2	4	0	0	2	2	1	3	14
Clawson	E07	Pasture ridge and furrow, all hedges except resi 1 x pre-encl hedge (same as E2, E4). Pond in loc since 1884	2	3	4	2	2	1	2	3	2	21
Clawson	E08	Rough grass and ruderals, fish pond, trees at boundary, prow - part of rural link. Brook along southern boundary (has fish pond, young trees and bench - important to community)	2	3	4	2	3	1	2	0	3	20
Clawson	E14	Pasture, few hedge trees, pond, GCN, stream through centre	3	3	4	3	2	1	1	0	3	20

Village	Field #	DESCRIPTION / EVIDENCE	Access /4	Proxim. /4	Bounded /4	Special /4	Rec/Edu /4	Beauty /2	Tranq /2	History /4	Wildlife /4	Total /32
Clawson	E25	'The Pingle' Small public open space, Parish Council land. In village centre next to pub. Mature trees, well used and loved by community. Social space and children play here. Conker championships are held here	4	4	3	4	4	1	0	2	2	24
Clawson	JR01	Area of woodland known as the Hose Thorns ( fox covert) possibly owned by the Bevoir Hunt. A wildlife habitat and should be protected. DEFRA classified as a priority Habitat.	0	0	4	0	0	2	2	0	4	12
Clawson	JR05	Pasture land surrounded by high hedges and small trees, R&F	0	0	4	0	1	2	2	3	2	14
Clawson	JR13	Pasture land with old hedges and trees. Ridge and furrow. Good wildlife habitat. Pond in field. Great Crested Newt record in adjacent field	0	0	4	0	0	2	2	2	3	13
Clawson	JR14	Pasture land with old hedges and trees. Ridge and furrow. Good wildlife habitat. Pond in field. South boundary is the Dam Dyke which forms a tree and bush boundary, good wildlife habitat	0	0	4	0	0	2	2	2	3	13
Clawson	JR15	Pasture land with old hedges and trees. Ridge and furrow. Good wildlife habitat. Pond present. Great Crested Newt recorded nearby. South boundary is the Dam Dyke which forms a tree and bush boundary, good wildlife habitat JR16	0	0	4	0	0	2	2	2	3	13
Clawson	JR16	Pasture land with old hedges and trees. Ridge and furrow. Good wildlife habitat. Pond in field. South boundary is the Dam Dyke which forms a tree and bush boundary, good wildlife habitat JR16	0	0	4	0	0	2	2	2	3	13
Clawson	JR19	Pasture land with old hedges and trees. Ridge and furrow. Good wildlife habitat. North boundary is the Dam Dyke which forms a tree and bush boundary, good wildlife habitat. Pond present.	0	0	4	0	0	2	2	2	3	13
Clawson	JR31	Pasture land with old hedges. Pond. Great Crested Newt record in field. Public footpath runs diagonally across the field	2	1	4	0	1	2	2	1	3	16
Clawson	JR35	Pasture land with old hedges.	0	3	4	0	0	2	2	2	2	15
Clawson	MEL01	Old pasture; old hedges hawthorn, hazel, elder wingnut, blackthorn, wildflowers and GCN pond. Old meadow land with wildflowers and diverse fauna.	1	3	4	2	0	2	2	1	3	18
Clawson	MEL02	Old pasture. Ridge and furrow. Old hedges hawthorn, hazel, elder wingnut, blackthorn, wildflowers and pond. Old meadow land with wildflowers and diverse fauna.	0	3	4	2	0	2	2	3	3	19
Clawson	MEL03	Old pasture . Ridge and furrow old hedges hawthorn, hazel, elder wingnut, blackthorn, wildflowers and pond. Old meadow land with wildflowers and diverse fauna.	0	3	4	2	0	2	2	3	3	19
Clawson	MEL06	Pasture land with ridge and furrow bounded by hedges with hawthorn, blackthorn, wingnut, hazel, elder, wild rose. Diverse wildflowers and fauna. Old cart wash in field.	0	3	4	3	0	2	2	3	3	20
Clawson	MEL13	Designated as pLWS. Good semi-improved grassland (no fertilizers), bounded by hedges of hawthorn, hazel, elder, wingnut, wild rose, blackthorn and hazel. Diverse wildlife. GCN recorded nearby. Pond surrounded by marshy grassland. Wildflowers, mushrooms and diverse grasses. Access via PRow (footpath). Good views of village.	2	1	4	2	2	2	2	1	4	20
Clawson	MEL15	Old pasture, part of plantation and orchard with some pear trees still in place. Bounded by hedges with hawthorn, hazel, elder, wingnut, wild rose, blackthorn. Ridge and furrow in some parts. Diverse wildlife and flora.	2	3	4	1	2	2	1	2	3	20

Village	Field #	DESCRIPTION / EVIDENCE	Access /4	Proxim. /4	Bounded /4	Special /4	Rec/Edu /4	Beauty /2	Tranq /2	History /4	Wildlife /4	Total /32
Clawson	MEL19	<b>Mill Approach</b> Permanent grass field, good ridge and furrow (several lands). Access via PRoW. Hedged boundaries, streamside vegetation including mature trees. Priority species buffer zone, (willow tit). Old pasture. Diverse wildlife and flora. Fossil bed in brook.	2	3	4	3	2	2	2	3	3	24
Clawson	MEL20	DEFRA priority habitat with deciduous woodland, old pasture with hedges, GCN pond	0	3	4	1	0	1	1	1	3	14
Clawson	MEL21	DEFRA priority habitat with deciduous woodland, old pasture with hedges, Willow Tit	0	2	4	1	0	2	2	1	3	15
Clawson	MEL23	Old pasture with hedges, Stream along W boundary. Woodland cover along stream,. Ridge and Furrow, good views across to village. Used for sledging when it snows by local people	2	1	4	3	2	2	2	3	2	21
Clawson	MH01	Paddock. Established grassland/grazing/horse paddock, hedges with hawthorn, blackthorn and elder on 3 sides. Access via two well-used PRoWs	3	3	4	3	2	2	2	1	2	22
Clawson	MH02	<b>Newt Paddock</b> Established grassland/ paddock, Ridge & Furrow, wide hedgerows. GCN pond, ditch with previous record of water vole, GCN habitat. Access via PRoW. Well used by dog walkers. Good views into and out of village.	3	3	4	3	2	2	2	3	4	26
Clawson	MH09	Paddock on Sand Pit Lane south of Manor House. View and setting of the manor house important here. Grassland, cattle grazing, hawthorn, elder, blackthorn, established trees on south. GCN in pond adjacent and pLWS cemetery adjacent	0	4	4	4	1	2	2	3	3	23
Clawson	MH10	Grass land /cattle grazing. Nice isolated sycamore tree and also established trees in hedgerow. Mature hedgerows.	2	3	4	2	2	2	2	2	2	21
Clawson	MH11	Grassland /cattle grazing,hedgerows, ridge and furrow	0	3	4	2	0	2	2	2	2	17
Clawson	MH14	Large arable field, no headland, two footpaths and lovely views to Slyborough and down into the village, close proximity to Cemetery and the Mill House (scores enough for 'other important space', but not selected as such a large arable field)	2	3	4	4	2	2	2	0	1	20
Clawson	MH8	Grassland cattle grazing, ridge and furrow, hawthorn hedgerows	2	3	4	1	2	2	1	3	2	20
Clawson	T233	Holwell Mouth SSSI (part) - rich marshland (some of the best examples of neutral marsh in the county) surrounded by deciduous woodland providing a rich range of habitats for wildlife.	0	0	4	4	0	2	2	0	4	16
Clawson	T001	Grassland and hedgerows. Good ridge and furrow and formerly recorded GCN pond	0	3	4	3	0	2	1	3	2	18
Clawson	T002	Ancient earthworks, ridge and furrow, rough pasture plenty of wildlife	1	2	4	3	0	2	2	3	2	19
Clawson	T003	<b>Green lane</b> with hawthorn and blackthorn hedge to one side, rough field to other, good views, good wildlife, PRoW, on course of pre-Enclosure track between Clawson and Nether Broughton	4	3	1	3	3	2	2	2	3	23
Clawson	T004	Rough pasture, high hedges, trees on north, ridge and furrow	0	1	4	0	0	2	2	3	2	14
Clawson	T005	Designated pLWS. Rough pasture, high hedges of hawthorn, historic field ridges access via PRoW, good wildlife habitat	2	2	4	2	2	2	2	2	3	21
Clawson	T009	Wood and pond to side good for wildlife, old hedge to north	0	0	4	0	0	2	2	0	4	12
Clawson	T017	Historic hill fort at top, GCN pond, part of views to village	0	2	4	1	0	2	2	4	3	18
Clawson	T035	Designated pLWS. Grassland with high hedges, ditch and pond. Footpath through field	2	0	4	1	2	2	2	0	3	16
Clawson	T035	Designated pLWS. Grassland with hawthorn hedge, next to wood and stream	1	0	4	1	2	2	2	0	3	15

Village	Field #	DESCRIPTION / EVIDENCE	Access /4	Proxim. /4	Bounded /4	Special /4	Rec/Edu /4	Beauty /2	Tranq /2	History /4	Wildlife /4	Total /32
Clawson	T036	Designated pLWS. Grassland with high hawthorn and blackthorn hedges trees in hedge to west	1	0	4	1	2	2	2	0	3	15
Clawson	T036	Designated pLWS. Linear grass field with high hedges and mature trees, plus Smite and trees along west	1	0	4	1	2	2	2	0	3	15
Clawson	T046	Very marked ridge and furrow, unimproved grazing, hawthorn hedges, pond and shelter belt to south	1	0	4	1	2	2	2	3	3	18
Clawson	T048	Ridge and furrow grazing with old hedges to north and east	0	0	4	0	0	2	2	3	3	14
Clawson	T052	Grazing with ridge and furrow, pond and footpath adjacent to woods	2	0	4	1	2	2	1	3	2	17
Clawson	T055	Wood planted c 2000 maybe 1990, oak, ash, cherry, blackthorn, hawthorn, hazel, footpath rather overgrown with brambles in places	1	0	4	1	2	2	2	0	4	16
Clawson	T060	Grassland with ridge and furrow grazing, wood to south, prominent part of view coming up Clawson hill	0	0	4	0	0	2	1	3	2	12
Clawson	T064	Woodland	0	0	4	0	0	2	2	0	4	12
Clawson	T068	Grazing with R&F, next to SSSI woodland	0	0	4	0	0	2	1	3	3	13
Clawson	T069	Grazing with hedgerows and good field ridges	0	0	4	0	0	2	0	3	2	11
Clawson	T094	Woodland with managed area of field to east for shooting?	0	0	4	0	0	1	2	0	4	11
Clawson	T108	Grassland with field ridges and diverse wildlife	0	0	4	0	0	2	2	3	1	12
Clawson	T109	Grassland with ridge&furrow and diverse wildlife	0	0	4	0	0	2	2	3	1	12
Clawson	T110	Grassland with field ridges and diverse wildlife plus GCN breeding	0	0	4	0	0	2	2	3	3	14
Clawson	T111	Grassland with field ridges and diverse wildlife plus GCN breeding	0	0	4	0	0	2	2	3	3	14
Clawson	T113	Wildlife/wildflower verge at south, wide verge all along typical of drovers lanes	4	2	2	2	2	2	0	2	2	18
Clawson	T113	Grassland with field ridges and diverse wildlife	0	0	4	0	0	2	2	3	1	12
Clawson	T116	Very good ridge and furrow, grassland and old hedges	2	0	4	1	2	2	2	3	2	18
Clawson	T119	Grassland with field ridges and diverse wildlife plus GCN breeding	0	0	4	0	0	2	2	3	3	14
Clawson	T122	Grass/grazing, ridge and furrow, hedges	2	3	4	0	2	2	1	3	1	18
Clawson	T123	Grass/grazing, ridge and furrow, hedges	2	2	4	2	0	1	0	3	1	15
Clawson	T125	Grass/grazing, paddocks field ridges, hedges	0	1	4	0	0	0	0	2	2	9
Clawson	T126	REGISTERED VILLAGE GREEN WITH ADJACENT GRASS AREAS	4	4	3	4	4	1	0	0	0	20
Clawson	T127	<b>Mungee</b> Part of setting' for Castle Field complex Historically an open space in the village, although part of the early medieval settlement (possible earthworks). Part of historic Claxton/Clawson separation. Faint ridge and furrow (or 20 <sup>th</sup> century allotments). Pasture and hedgerows. Small pond in corner with hawthorn scrub. Public paths, very well-used public path and unofficial open space.	3	4	4	4	3	2	1	3	2	26
Clawson	T128	<b>Village Hall open space</b> Not on list of PC-owned land but is the parcel associated with Clawson village hall: status? Car park, village amenities, mown grass, tennis courts, etc., rough grass margins. Views to south.	4	3	4	4	4	2	1	0	1	23

Village	Field #	DESCRIPTION / EVIDENCE	Access /4	Proxim. /4	Bounded /4	Special /4	Rec/Edu /4	Beauty /2	Tranq /2	History /4	Wildlife /4	Total /32
Clawson	T129	<b>Castle Field</b> Scheduled monument, earthworks (medieval manor site, moat, fishponds, house platforms, etc.). Permanent long established grassland. Hedgerows and scrub. Pond, possibly with GCN. Very important open area within the modern settlement. Statutory protection <i>for parts</i> ; the whole parcel provides setting for a number of important historical assets including the parish church.	0	4	4	4	2	2	2	4	3	25
Clawson	T130	<b>Parish Council Cemetery, Sandpit Lane</b> quiet and full of wildlife. One poplar tree designated as pLWS. (not to be designated LGS, already sufficiently protected)	4	3	4	3	3	2	2	4	3	28
Clawson	T134	26001 Local Wildlife Site Broad-leaved woodland	0	0	4	4	0	2	2	0	4	16
Clawson	T136	26001 Local Wildlife Site Broad-leaved woodland	0	0	4	4	0	2	2	0	4	16
Clawson	T137	Local Wildlife Site 25997 Small stream with trees	0	0	4	4	0	2	2	0	4	16
Clawson	T143	Grass with ridge and furrow plus streams at north and south, with connecting habitat to woodland plus boundary hedges	0	0	4	0	0	2	2	2	3	13
Clawson	T144	Grass with ridge and furrow plus pond and hedges	0	0	4	0	0	2	2	3	2	13
Clawson	T151	Grass with ridge and furrow plus streams at west and south, plus hedges	0	0	4	0	0	2	2	3	3	14
Clawson	T154	Grass with ridge and furrow plus streams at north, south and east, plus hedges	0	0	4	0	0	2	2	3	3	14
Clawson	T169	Grassland with field ridges, hedges and next to canal	0	0	4	0	2	1	1	2	3	13
Clawson	T171	Rough woodland between Smite and Canal	0	0	4	0	0	1	2	0	4	11
Clawson	T172	Woodland between Smite and the Canal	0	0	4	0	0	2	2	0	4	12
Clawson	T177	Ancient grass with hedges and GCN pond	0	3	4	3	0	2	1	1	3	17
Clawson	T178	Ancient grass with hedges, GCN pond and stream	0	3	4	3	0	2	1	1	3	17
Clawson	T179	Small field, previously two (probably of medieval origin). Grazing, somewhat degraded but known GCN habitat; small watercourse on east boundary. Old species-rich hedges to three boundaries. Small area of ?vegetable garden in NW corner. Access via PRoW (footpath) on north side.	2	3	4	3	2	1	1	1	3	20
Clawson	T181	Grassland bordering stream. Ridge and furrow and hedgerows	1	3	4	2	2	1	1	3	2	19
Clawson	T187	Grassland with woodland to two sides, and hedgerows, path through area. Slight field ridges	2	0	4	2	2	2	1	1	3	17
Clawson	T190	Grassland with ridge and furrow plus old hedges next to woodland	0	0	4	2	0	2	2	3	3	16
Clawson	T191	Designated LWS. Old pastures and hedges	0	0	4	3	0	2	2	1	4	16
Clawson	T192	Designated as part of LWS ref 25997. With wooded stream. Edge of ridge and furrow old grassland, sadly recently herbicided, public bridleway. Well used PRoW bridleway. Located Immediately adjacent to T193 to the west.	2	1	4	3	3	2	2	2	4	23
Clawson	T194	Grassland with ridge and furrow plus hedges and part of view	0	0	4	0	0	2	2	3	3	14
Clawson	T195	Small field that is shown on the enclosure map, wildlife and old hedges	0	0	4	0	0	2	2	2	2	12
Clawson	T197	Permanent grassland, includes LWS 26000: good ridge and furrow in several lands; hedgerows, access via PRoW (bridleway); High point with long, distant views along Vale.	2	0	4	3	2	2	2	2	3	20

Village	Field #	DESCRIPTION / EVIDENCE	Access /4	Proxim. /4	Bounded /4	Special /4	Rec/Edu /4	Beauty /2	Tranq /2	History /4	Wildlife /4	Total /32
Clawson	T199	Grass with field ridges and pond	0	0	4	0	0	2	2	3	3	14
Clawson	T213	Designated LWS. Accessible woodland with interesting nature, stream and bridleway	3	0	4	4	3	2	2	0	4	22
