

Dear Sirs

In respect of the ongoing consultation on the Asfordby Neighbourhood Plan Submission version (Regulation 16 Consultation), we propose that Land off Melton Road, Asfordby Hill, identified on the attached plan, should continue to be shown as a residential allocation within the Plan.

The site is the subject of a Reserved Matters application following the grant of outline planning consent (ref. 16/00907/OUT).

The site was also allocated for residential development within the Asfordby Parish Neighbourhood Plan 2016-2036 under *Policy A15: Land off Crompton Road/Melton Road, Asfordby Hill*.

Kind regards

Stephen
