What 'soundness' means

The Local Plan will be examined by an independent inspector whose role is to assess whether the plan has been prepared in accordance with the Duty to Cooperate, legal and procedural requirements, and whether it is sound. A local planning authority should submit a plan for examination which it considers is "sound" – namely that it is:

- Positively prepared – the plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements, including unmet requirements from neighbouring authorities where it is reasonable to do so and consistent with achieving sustainable development;
Justified – the plan should be the most appropriate strategy, when considered against the reasonable alternatives, based on proportionate evidence;
Effective – the plan should be deliverable over its period and based on effective joint working on cross-boundary strategic priorities; and

- **Consistent with national policy** – the plan should enable the delivery of sustainable development in accordance with the policies in the Framework.

Melton Borough Council proposes to submit the Melton Local Plan (MLP) to the Secretary of State of Communities and Local Government for independent examination. An addendum of 'Focused Changes' (FC) has been published since the last consultation in November 2016, and the Council is now consulting on this addendum. 3. Please give details of why you consider this focused change is not legally compliant or is unsound or fails to comply with the Duty to Co-operate. Please be as precise as possible. (Please continue onto a separate sheet if you require more space)

The Focused Change includes land at Nottingham Road, Melton as a proposed allocation to provide 85 dwellings. Davidsons made representations on the submission Draft Plan arguing that the capacity of the site should be increased to 135 dwellings. This was on the basis that the northern most field has the capacity to accommodate some 40-50 dwellings in addition to the consented scheme for 85 dwellings on the first two fields.

The Focused Changes do not properly reflect the development potential on the site. The capacity of the site at Nottingham Road (MEL1) should therefore be increased to 135 dwellings.

4. Please set out what change(s) you consider necessary to make the focused change legally compliant or sound, having regard to the test you have identified at 2 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible. (Please continue onto a separate sheet if you require more space)

The Focused Change should be amended to increase the capacity on the land at Nottingham Road, Melton (MEL1) to 135 dwellings.

**Please note: Your representation should cover succinctly all the information, evidence necessary and supporting information necessary to support/justify the representation and suggested change, as there will not normally be a subsequent opportunity to make further representations based on this original representation.**

**After this stage, further submissions will only be at the request of the Inspector based on the matters and issues they identify at the examination.**

5. Can your representation seeking a change be considered by written representations or do you consider it necessary to participate at the oral part of the examination? (Please tick the appropriate box)

Written Representations

Participate at the Oral  
Examination

6. If you wish to speak at the examination, please outline why you consider this to be necessary:

Davidsons Developments has an interest in land at Nottingham Road, Melton and it is therefore important that they are represented at the Examination sessions.

*Please note: The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.*
