What 'soundness' means

The Local Plan will be examined by an independent inspector whose role is to assess whether the plan has been prepared in accordance with the Duty to Cooperate, legal and procedural requirements, and whether it is sound. A local planning authority should submit a plan for examination which it considers is "sound" – namely that it is:

Positively prepared – the plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements, including unmet requirements from neighbouring authorities where it is reasonable to do so and consistent with achieving sustainable development;

- **Justified** – the plan should be the most appropriate strategy, when considered against the reasonable alternatives, based on proportionate evidence;
- **Effective** – the plan should be deliverable over its period and based on effective joint working on cross-boundary strategic priorities; and
- **Consistent with national policy** – the plan should enable the delivery of sustainable development in accordance with the policies in the Framework.

Melton Borough Council proposes to submit the Melton Local Plan (MLP) to the Secretary of State of Communities and Local Government for independent examination. Before submitting the MLP, the Council is required to publish the document and invite the public to make representations on its 'soundness'. An addendum of 'Focused Changes' (FC) has been published since the last consultation in November 2016, and the Council is now consulting on this addendum. The MLP, once adopted will be the development plan for Melton Borough.
