

Olivia,

Thank you for the re-consultation on the Main modifications etc to the Melton Local Plan. I have no further comments to make to those previously sent to you on June 22nd 2018, namely:

“I have reviewed the Main Modifications, Additional Modifications, Policies Maps and supporting documentation : the updated site assessment for ASF3 (Hoby Road, Asfordby), the updated Habitats Regulation Assessment and an update to the Sustainability Appraisal and find them all to be acceptable. In accordance with the remit of the Environment Agency I have no objection to any of the modifications.”

Kind Regards

Geoff
