Dear Mr Worley

Re: Wymondham & Edmondthorpe Parish Neighbourhood Plan

The Parish Council resolved at its 09 January 2017 meeting to approve the draft submission Neighbourhood Plan & corresponding supporting documentation created by the Neighbourhood Plan Committee. Therefore, in accordance with Part 5 Regulation 15 of the Neighbourhood Planning General Regulations 2012 as amended by the Neighbourhood Planning (General) (Amendment) Regulations 2015 (The Regulations), the following documents are submitted, as part of this email package:

- A map which identifies the designated area
- The Basic Conditions Statement document which addresses issues of conformity with the Basic Conditions
- A Consultation Statement which sets out who has been consulted, when & how, plus a summary of the main issues raised & how these have been addressed in the Plan
- Wymondham & Edmondthorpe Neighbourhood Plan

The above documents & a range of supporting information are available by accessing the Parish Council website. Please advise if you require any further information at this stage.

It is requested that Melton Borough Council take the submission Neighbourhood Plan into account when determining planning applications & that the Melton Local Plan strategy & policies integrate to the submission Neighbourhood Plan because it stands as the definitive evidence based reference document, pertaining to Wymondham & Edmondthorpe.
